STUDENT WRITING CONTEST

The Student Writing Contest for the CABE '97 Conference in San Diego, California, will focus on the many advantages of being bilingual. The Student Writing Contest theme is "How Being Bilingual Will Brighten My Future."

Students are encouraged to approach this writing contest in an imaginative and meaningful manner expressing themselves in either their primary language or second language. Teachers can assist students in focusing on the theme by exploring how being bilingual will enhance their opportunities for learning, careers, leadership, diverse social interaction, self-esteem, family unity and support, as well as cultural legacy, etc. The usage of the writing process is encouraged (prewriting, sharing, revising, editing, and evaluating) to develop a meaningful and expressive literary piece. Each literary piece should focus on the theme and demonstrate final editing quality.

All students who enter the writing contest will be acknowledged for their efforts. Winners will be selected by a committee in four grade level categories K-2nd, 3rd-5th, 6th-8th and 9th-12th, based on the following criteria:

- **Content** - How well the writing captures the essence of the theme, "How Being Bilingual Will Brighten My Future."
- **Language** - The use of expressive, authentic, rich language developed by the student.
- **Genre** - The creative use of literary form.

Please read the following directions for submitting student writings:

- Writings should be typed double-spaced, three pages maximum.
- Student writings in any language may be submitted. Translations must accompany the entry with an explanation as to who translated the writing piece. Translations may not improve or alter the original writing.
- Students must have been in a bilingual program at some time during the last three years.
- Winners will be notified by December 6, 1996, and will be asked to submit a black and white photo for the conference program booklet.
- Savings Bonds will be awarded to the division winners in categories K-2nd, 3rd-5th, 6th-8th; for 9-12th a \$1,000 scholarship will be offered.
