CABE 2005 "BILINGUAL EDUCATION: A LEGACY OF TRANSFORMING HEARTS AND MINDS"

Dear Sponsors, Exhibitors and Career Fair Participants,

CABE 2005 scheduled for February 23 - 26, 2005 at the Los Angeles Convention Center marks our 30th anniversary. CABE has a rich legacy of making many contributions towards ensuring equitable and quality instructional programs for English Learners during these past three decades. Our theme this year highlights the fact that we have a legacy of serving educators, parents and the wider community and of transforming the hearts and minds of those who provide services to our second language learners. In reflecting over these past 30 years, we can list many outstanding achievements and contributions to the educational well-being of English Learners. CABE also celebrates the many long-lasting collaborative partnerships we've made with our sponsors, exhibitors and career fair participants. We know that working together we can reach our vision of Biliteracy and Educational Equity for All.

As in previous years, the exhibit hall provides our attendees the opportunity to meet the many sponsors, exhibitors and district personnel recruiting at the career fair. The exhibit hall is a place for our participants to gather together and review/purchase the latest specially designed instructional materials for second language learners. Everyone at the exhibit hall provides a valuable service to these educators and others interested in the education of children from diverse cultural, racial and language backgrounds. Everyone involved in our annual conference truly values your participation and dedication to improving the quality of our educational programs by providing us with instructional materials and supplies that enrich our programs.

We hope that we can count on you to join us this year for our 30th anniversary celebration. If you are new to our conference—we hope that you decide to join us. If you are a returning sponsor/exhibitor/recruiter—we welcome you once again. It is also our hope that if you have not been a sponsor in the past, you consider becoming one this year and celebrate with us. The information provided in this brochure outlines the many opportunities available to showcase your company and/or organization. Don't miss this valuable opportunity to reach over 8,000 individuals and to display and sell your latest instructional materials and other services. We have included all of the forms you will need to sign-up as a sponsor, exhibitor, or career fair recruiter, or to present a commercial presentation.

CABE 2005 will once again be using an on-line registration system. Please visit our website at www.bilingualeducation.org to get information about this service. Information about exhibiting can also be found on this website. We will be working with Blaine Convention Services for all your exhibit needs. Once you send in your registration to sponsor/exhibit at the conference, you will receive a full information packet from them letting you know of the many services they provide. If you have any questions or need any assistance, do not hesitate to call Delma Chwilinski at CABE Headquarters (626) 814-4441 ext. 104. We are here to serve you and provide any information and service you may need.

See you in Los Angeles for CABE 2005.

Sincerely,

 María S. Quezada, Ph.D.

An Introduction to the California Association for Bilingual Education....

The California Association for Bilingual Education (CABE) is a statewide organization established in 1976 to promote quality bilingual education programs for English Language Learners learning English and maintaining their home language and native English proficient students wanting to learn a second language. CABE is a non-profit organization under the direction of a thirteen member Board of Directors that establish policy, set priorities, and maintain fiscal accountability for the organization. There are five CABE regions with 70+ chapters serving 6,500 members throughout the state. CABE membership includes teachers, administrators, parents, instructional assistants and other community members and organizations. Members of CABE may become members of a local chapter or one of the three CABE affiliates: CA Association of Parents for Bilingual Education (CAPBE), CABE Two-Way Bilingual Immersion, or CA Association for Secondary Bilingual Education.

An Invitation to be a Sponsor, Exhibitor and/or Recruiter at CABE 2005

Becoming an Official CABE 2005 Sponsor

Join our powerful team and make CABE 2005 a memorable event for all. Take advantage of the opportunity of maximum exposure and promotion of your company or organization in a variety of conference events that bring thousands of educators together for the express purpose of learning to address the educational needs of English Language Learners. CABE's annual conference provides educators, parents, and others with a unique opportunity not only to increase their expertise but to review and purchase educational materials developed expressly for second language learners—whether they are English speakers in dual language programs or students speaking many other non-English languages in a variety of instructional settings. Additionally, participants at our conference also have the opportunity to learn about other services as well.

CABE's vision is "Biliteracy and Educational Equity for All." This vision is based on the

premise that students in the 21st century, in order to succeed and be powerful forces in our communities, have to be: 1) multilingual; 2) knowledgeable of the diversity in our society and recognize/respect the differing perspectives of our multicultural global society; 3) information and technologically literate; and 4) civically oriented and active advocates for their communities. This can only be accomplished, however, when every child has the opportunity to learn in quality educational programs that promote second language acquisition—English and other non-English languages—and truly promote respect for the diverse children and people of California.

CABE advocates for the educational rights of children and parents who come to our schools speaking non-English languages and are in the process of learning English. We strongly believe that every child and their family bring cultural and linguistic resources to our schools. They can use these strengths to learn English and achieve academically in school. We also work closely with state and local policymakers to inform them of current research and effective instructional practices for English Language Learners.

One of CABE's major functions is the delivery of quality professional development through the annual conference (with over 10,000 participants); five regional conferences (with 500 to 800 participants per conference); a Biliteracy and English Language Development Conference (with over 500 attendees); and a Two-Way Bilingual Immersion Summer Conference (with over 1,200 participants). Through our publications, Multilingual Educator Magazine and the Multilingual News, CABE disseminates relevant information and reaches out to more fully involve members and others in organizational activities and events that impact their lives. CABE also collaborates and builds partnerships with families, communities, businesses and government agencies to expand and strengthen the expertise of parents, educators, administrators, community leaders and policy makers. It is our belief that having high levels of literacy in English and in at least one other language is a worthwhile goal for our society so that everyone is fully involved in their communities, our nation and the world.
