# SCHOOL SITE VISITS

PRE-REGISTRATION IS REQUIRED

The following programs will be available for School Site Visits. Please make your selection and enter your choice on the conference registration form. (E.g. 1a. Moving from Transitional to Developmental)

WEDNESDAY, MARCH 4, 2015 7:30 A.M. - 2 P.M. (RETURNING AT VARIOUS TIMES)

## 1. Elementary Programs

### A. MOVING FROM TRANSITIONAL TO DEVELOPMENTAL PROGRAM:

This school's Bilingual Program has been in existence for many years, but has recently changed from a Transitional Bilingual model to a Developmental Bilingual Education model. The school's teachers and principal are actively working to strengthen and expand the DBE Program, which now accommodates children in all grades levels. The DBE Program uses Paired Literacy as its foundational approach. DBE students at all grade levels engage in a literacy block in Spanish and English, and, in all but one content area, receive instruction in both languages.

### B. ONE-WAY 50:50 MANDARIN PROGRAM & SPANISH ENRICHMENT PROGRAM:

In this program students are instructed in English and Chinese; alternating between morning and afternoon from kindergarten through 5th grade. A third language, Spanish language enrichment, begins in kindergarten and continues through 2nd grade with formal Spanish instruction (approximately 200 minutes per week) starting in 3rd grade.

**C. STRUCTURED ENGLISH IMMERSION PROGRAM:** Located minutes from U.S. Mexico border, this elementary school is making remarkable gains with English Learners. The Collaboration Model has been instrumental to student growth. Grade levels continually analyze data, plan rigorous lessons, and critically refine their craft. Writing linked to thinking and speaking is a school-wide practice where teachers identify language functions and strategic scaffolds to support ELs in meaningful contexts. The school culture reflects a passion for learning and high expectations that is clearly evident in student engagement.

## 2. K-8 Elementary/Middle School Programs

**A. SPANISH TWO-WAY 90:10 K-8 SCHOOL-WIDE PROGRAM:** This school, located 2 minutes from the border is well known within the bilingual education community for its cutting edge practices that date back several decades. Due to its students' high academic achievement in both English and Spanish, this school was the recipient of a CABE Two-Way Immersion Seal of Excellence Award. As you visit classrooms, you will see evidence of rich language instruction, global awareness through service learning projects, technology, CCSS implementation, and you will know why visitors say "Even the Walls Talk."

**B. SPANISH TWO-WAY 50:50 K-8 PROGRAM:** This school-wide program strategically utilizes research-based strategies to reach all students as a way to impact social and educational change. The school tracks student progress by using multiple formative assessments over the course of the year. Teachers and administrators use data to guide teaching practices and provide greater accountability and feedback on student learning and growth. Students in all grades also participate in Micro Society. They design and implement their own government, establish businesses and learn about the global society.

## 3. High School Programs

### A. NEW ARRIVAL CENTER:

Students new to English, new to schooling, or new to English with interrupted schooling, receive an accelerated course that prepares them linguistically and academically to successfully participate in sheltered grade-level classes. This is a self-contained class with a two hour ESL, and sheltered Math, Science, and Social Studies instruction.

### B. ACADEMIC LANGUAGE DEVELOPMENT COURSE:

Students identified as Long Term English Learners receive a rigorous course of study designed to build and strengthen academic language through an emphasis on critical reading and analytical writing. The course uses Kate Kinsella's English 3D as the core text.
