Demostraremos cómo planear la instrucción con los Estándares de Desarrollo del Idioma Español y compartiremos estrategias que facilitan la enseñanza del español como segunda lengua. Modelaremos lecciones de lectoescritura enfatizando cómo funciona el español. Se afirmará la pedagogía crítica, el multiculturalismo y la concientización social como métodos esenciales para la enseñanza de estudiantes en el siglo XXI. ¡Vengan a aprender con nosotros!

## 1 ELEMENTARY PROGRAMS

**Two-Way Bilingual/Dual Immersion Programs:** Dual language immersion integrates native English-speaking and English language learning students in the same classroom and provides academic instruction through two languages, one of which is the primary language of each group (e.g., Spanish and English). The students learn a second language while they are learning content. The goal of this program is to promote high levels of bilingualism/biliteracy in two languages. CABE 2023 offers visits to three high-quality dual language programs in diverse languages. Choose:

- 1a. Spanish and English
- 1b. Vietnamese/English and Trilingual Spanish/Coding/English
- 1c. Mandarin/English

## 2 MIDDLE SCHOOL PROGRAM

**Two-Way Bilingual/Dual Immersion:** This middle school program is for both English learners (Spanish-speaking) and English-only students at the middle school level. Students interact as language models for each other in different content areas. The goal for all students is that they learn English and meet grade-appropriate academic achievement standards for grade promotion and graduation and become biliterate and multicultural scholars. The visit provides examples and models of how to grow a dual language program to the secondary level. Choose:

- 2. Middle School Program

## 3 HIGH SCHOOL PROGRAMS

**a. Heritage Language Program:** This program will showcase world language instruction in the 21st Century and how it offers high school students the opportunity to further develop and achieve communicative competence through a variety of strategies and best practices to support language acquisition and cultural competencies. The goal of this program is for students to apply their language skills and cultural knowledge to participate in multilingual communities and to become successful and responsible citizens in a diverse, ever-changing world.

**b. Long-Term English Learner/Newcomer Programs:** The Newcomer program has helped to create urgency, move achievement, and progress monitor 200+ newcomer students enrolling at the district yearly. The LTEL program is increasing reclassification, progress monitoring, and a greater awareness of EL achievement. Leave with examples of progress monitoring tools, as well as other practical teaching strategies to increase Newcomer and LTEL achievement. Choose:

- 3a. Heritage Language Program
- 3b. Long-Term English Learner/Newcomer Program
